

Logan Cameron

Product Designer

01 Experience

2019-Present

Product Designer | Blip

As a product designer for Blip, I designed, researched, and tested every feature for the Blip app.

2018-2019

Product Designer | Mesh App

As a product designer for Blip, I designed, researched, and tested every feature for the Blip app.

2017-2019

UX Designer | Speedhut Inc.

As Speedhut's UX designer, I have helped improve their customizer tool web app, created pages for new gauge lines, and designed installation instructions for the products.
